## Plans announced for £2million arts centre at Axe Valley college

### Axminster HSBC branch set to close

AXMINSTER'S branch of the HSBC bank will close on September 25th, it emerged this week.

Three members of staff at the bank, including the manager, are being relocated to other branches, an HSBC spokesman told the *View from Axminster* on Monday.

The bank said that customers with personal accounts could use the Post Office to pay in cash and cheques and withdraw funds from their HSBC accounts.

There are currently no facilities to help HSBC business customers in Axminster although the bank said it was working with the Post Office that might give local firms and traders a similar way to manage their accounts locally.

The Lyme Regis branch of HSBC shut its doors for good last year, but a spokesman for the bank confirmed there are no further closures planned for any of its West Country branches.

Shane Morgan, chairman of Axminster Chamber of Commerce, said he was "quite shocked" by the news.

He said: "It is disappointing that a bank which has been in Axminster for so long, a town which is expanding all the time, has chosen to close their branch. I think it is a very short-sighted policy."

THE expansion of Axe Valley Community College will take another step forward if plans for a £2 million arts centre are approved.

Devon County Council, which is funding the project through the Capital Maintenance Pro-

gramme, has applied for planning permission.

If successful, construction is estimated to start in spring 2016 – with completion in September 2016.

The design comprises six state-of-the-art teaching rooms, which include two drama studios, two art studios, a digital art studio and a general-purpose classroom.

The new arts centre would replace a cluster of temporary classrooms, located on the west side of the campus parallel to Lyme Road.

## Gaynor's shock goodbye

THE resignation of former Seaton Mayor Gaynor Sedgwick from Seaton Town Council, with immediate effect, came as a surprise.

However, I am told that Gaynor had been considering her position since being ousted at the recent annual meeting by former journalist Tony Woodman whom I rather rashly – and perhaps unfairly – referred to as "a rebel councillor" when we reported his elevation to the town's First Citizenship.

In the early days when Councillor Woodman got on the Town Council there seemed a good deal of animosity between the two but as the months passed they were sensible enough to treat each other with a degree of respect.

And Tony Woodman has been big enough to praise Gaynor for her contribution to the life of Seaton, saying she had done much for the town during her term of office. Which, indeed, she had.

I covered the annual town meeting a couple of years ago when the audience were baying for Gaynor's blood after she got herself embroiled in an unfortunate spat with Seaton's disabled community.

It was one of the most vitriolic public meetings I had ever covered – and I've witnessed a few – and I wondered whether she could possibly continue in the role of mayor.

But she weathered the storm and whilst there was definitely a section of the Seaton community who wanted her ousted, I believe she performed her mayoral duties with great dignity and huge enthusiasm, never failing to promote the town and extol its virtues.

The role of town mayor is not an easy one. I know, I've been there in my home town. Overall, I think Gaynor did a good job and Tony knows he has big shoes to fill.

### HONITON

## Three week wait for your wheelie bin to be emptied

COUNCIL chiefs are considering changes to rubbish collection services that could leave residents waiting three weeks for their bins to be picked up.

A new scheme designed to boost recycling rates will be trialled in parts of East Devon this autumn and could be rolled out to Honiton in the future.

The short-term service, for around 1,800 households in Feniton and Exmouth, will see cardboard and mixed plastics picked up from the doorstep on a weekly basis.

But as part of the scheme, residents' wheelie bins will be collected every three weeks, instead of fortnightly. Weekly food waste collections will continue as normal.

The trial is designed to increase the amount that households recycle while reducing the cost of running collection services, and could provide a solution to Honiton's ongoing recycling issues.

But some will be concerned about the possibility of mounting piles of rubbish if bin collections are stretched to only once every 21 days.

## Broadband grant deferred

SOUTH Somerset District Council (SSDC) has demanded proof that there is value for money before giving £640,000 towards a superfast broadband project.

In a meeting held behind closed doors last Thursday, SSDC District Executive resolved to defer a grant of £640,000 towards the Connecting Devon Somerset (CDS) Superfast Extension Programme pending "a satisfactory and detailed assessment from which it is clear that it [the project] is favourable and beneficial to businesses in South Somerset".

### OTTERY ST MARY

## 'Hands tied' over St Saviours deal

CIVIC leaders in Ottery St Mary have abandoned plans to convert the former social services building at St Saviours into a community hub, after talks with Devon County Council finally broke down.

Town councillors decided to withdraw from the negotiations last week, following six months of meetings.

They had hoped to reach an agreement to take over the redundant building and create a new home for Ottery's threatened library, while renting out the remaining office space.

But it now looks likely that the site will be sold on the open market, after the two parties failed to strike a deal.

### SEATON

## Ex-mayor resigns

FORMER Seaton Mayor Gaynor Sedgwick has resigned from the town council with immediate effect. Having served on the council for four years, Councillor Sedgwick was re-elected in May.

She had served as mayor for the last two years and had hoped to keep that role, but was ousted by Councillor Tony Woodman.

She told *Pulman's View*: "I feel I have done my four years and that I have done a good job, and I now want to do something different and have a new start."

Paying tribute to Mrs Sedgwick, Cllr Woodman said: "She did a lot of good work for the town, and I wish her well for the future."

An additional £500,000 has also been awarded to the college to improve the science and music blocks.

These improvements will include new roofing, windows, heating and flooring.

"The new arts centre will provide inspiring facilities that allow the art and drama departments to expand the range of opportunities available to students.

"The arts at Axe Valley play a key role in our curriculum, with students studying both subjects from Year Seven. "With a new arts centre, the new artificial grass pitch (due for completion in August 2015), and major upgrades to our science and music blocks, we take another significant step towards achieving our vision of a modern, inspirational campus for learning in the twenty-first century.

"These improvements represent a capital investment of over £3.5 million over a two year period."

## New A35 accident

ONE person was taken to hospital after a car accident on the A35 at Shute, near Axminster.

The accident happened at about 9am on Wednesday, June 17th, and a spokesperson for the ambulance service said the man suffered a shoulder injury.

A female was treated at the scene, but did not need to go to hospital.

The accident involved a silver Hyundai and a white Peugeot Boxer van.

# Watch the stars and nightjars at Trinity Hill

EAST Devon District Council's Countryside team and staff from the Norman Lockyer Observatory in Sidmouth are working in partnership to lead a Nightjars and Stars walk at Trinity Hill Local Nature Reserve on Tuesday, June 30th from 9pm-11pm.

Nightjars arrive to breed in southern Britain from Africa around late April, coinciding with the time of the moth population explosion.

They are difficult to spot during the day due to their amazing camouflage, but at dawn and dusk when they are out hunting for flying insects, they often perch in prominent positions and can be seen more clearly against the night sky.

An East Devon District Council spokesperson said: "The nesting environment preferred by nightjars is lowland heath, so Trinity Hill Local Nature Reserve is an ideal place to find them.

"We are hoping for a warm still evening, which will provide the perfect conditions in which to

hear the nightjars 'churring' call, and if we're really lucky, we will be able to watch their superb aerobatic displays as they hunt for moths."

The open heathland of Trinity Hill provides a wider expanse of night time sky for visitors to experience, as well as commanding views over the Axe Valley.

"As we are near the summer solstice, the skies will not be as dark as winter, but they are free from city lights," said David Strange, chairman of the Norman Lockyer Observatory.

"Join our members for a tour of the summer sky. We will show you how to find Mars and Saturn, and point out the brighter stars, constellations and associated myths."

These are free events, but booking is essential as they are highly weather dependent and places are limited.

# Environment Agency called after 2,000 litres of diesel pollutes river

THE River Axe has been polluted by almost 2,000 litres of diesel oil at Axminster.

Environment Agency (EA) officials were called to the outskirts of the town on Wednesday, June 17th.

An EA spokesperson said: "We were notified about the theft of oil from a farm. The thieves allowed the remaining diesel in the tank to run out, resulting in up to 1,900 litres entering River Axe.

"Red diesel could be seen building up in slow-flowing sections, the strong unpleasant odour and rainbow sheen on the water resulted in numerous reports to the EA's Incident Hotline.

"Environment officers attended the incident and deployed absorbent booms and pads at a number of locations.

"The EA is working with the farmer to explore other options to reduce the sheen and any effect this may have on River Axe.

"The EA would like to thank all those that reported the pollution along with Axminster Carpets for their assistance and the farmers who have been involved throughout, their contribution has undoubtedly reduced the impact of this incident."

■ SOAK-UP: The Environment Agency's absorbing equipment in the River Axe

Anyone who could assist in the identification of those responsible for the pollution is asked to call the EA on 0800 807060 or the police on 101.

## One man injured in Gammons Hill accident

A spokesperson for the fire and rescue service said: "Fire crews used hydraulic cutting equipment to remove the roof and the male was transferred to hospital by land ambulance."

# Drama club on top when it comes to farce

**A** GOOD old fashioned 'one in one out' farce must be fast, slick and performed with perfect comic timing.

Axminster Drama Club's production of Michael Cooney's 'Cash On Delivery' contained all of these qualities in abundance, and along with some exceptional direction and an extremely talented cast, they proved once again they are the one of the area's high flyers when it comes to good quality drama.

Eric Swan has lost his job and so decides to maintain a professional pretence by fiddling social security claims.

The only rub is that he has invented lodgers with various ailments and de-

as the bumbling conductor of the misunderstandings.

His unwitting foil Norman played by Mike Speller showed accomplished comic timing and had some of the best, and most libidinous lines in the show.

It was great to see Speller taking on a larger role and, as always, he looked great in a dress!

They were joined in the household by Eric's long suffering wife Linda, Tracey Wakeling, who as one of the most talented actors in our locality provided the usual class with her ascorbic put downs and commanding presence.

Tim Leat as Uncle George administered much of the slapstick element, whilst sporting some very snug long johns which left little to the imagination.

Councillor Sally Chessington played with perfect deadpan by the indomitable Caroline Markham, and the comely Grant Jones as the caring and professional Undertaker Mr Forbright were wonderfully matched.

Along with the adorable Marcus Wood as Dr Chapman and the hysterical Carol Shute as Miss Dixon they ensured the pace of fun was maintained throughout.

Gradually becoming more and more flambéed as the plot unwound, Ian Craig as social security inspector Mr Jenkins played the inebriated suit with

Director Leigh Conley did a really fabulous job of extracting every inch of humour from the script and as I now come to expect from Axminster Drama club, the staging and set were to a very high specification.

# Scaffolding struck by lorry injures 90-year-old

A LORRY driver failed to stop after striking scaffolding, which in turn struck a 90-year-old lady and sent her to hospital with a head injury.

The accident happened in Axminster on Thursday, June 25th, and police confirmed on Friday afternoon that the vehicle involved remained unidentified.

Scaffolding at Trinity House's Home-in-Style was hit just before 2pm.

A spokesperson for the ambulance service said a female pedestrian was hit by the scaffolding as it came off the wall.

The scaffolding didn't crash down, but stayed upright after being torn and separated from the wall.

by Anders Larsson  
anders@tindlenews.co.uk

Shortly after the incident, a police spokesperson said: "An articulated lorry, yet unidentified, struck some scaffolding which in turn hit the lady, aged 90 years, who suffered a head injury."

The extent of the pedestrian's injury is not clear but a witness, who did not wish to be named, said the pedestrian remained conscious.

Claire Morgan of estate agent Morgan York, which is located opposite the scene of the accident, didn't see the impact but said: "I saw a lady on the pavement.

"We just looked up and there was a gathering of people."

In a statement issued the day after the accident, a police spokesperson said: "Our investigations are still ongoing and we have no further details in relation to the woman injured."

A similar accident happened at the same place in November 2012.

Nobody was hurt then, but huge scaffolding came crashing down into the road.

Following last Thursday's accident, Axminster Mayor Douglas Hull said: "It shows the desperate need there is for a relief road.

"The quicker the better because these things will continue to hap-

pen in the narrow streets of Axminster."

\*Persimmon Homes (South West Ltd) has sought outline planning permissions for a development on land between Sector Lane and Lyme Road, including a relief road.

But, according to the current proposal, the estate itself and the relief road would be built in phases over several years.

# Concern over Sector Lane 'bottleneck'

SECTOR Lane residents complain they have not been given the traffic flow they were promised.

Highway bosses say the current design was always part of the plan, but could be changed.

A stretch of Sector Lane was recently closed off for about two weeks for "highway improvements" at the junction with Lyme Road.

It came about through a planning consent condition attached to Devonshire Home's Amberside development.

A Devonshire Homes press release, issued before the road works started, said: "Sector Lane will be closed while contractors widen the access to Sector Lane where it meets Lyme Road to enable two cars to pass.

"These road improvements will keep traffic flowing and make the area safer for everyone."

The Sector Lane / Lyme Road junction has indeed been widened, but Sector Lane immediately narrows making it seemingly impossible for two cars to pass each other.

Residents have questioned the point of widening the junction when Sector Lane immediately narrows into what is described as a bottleneck.

One of the residents, Sue Ticehurst said: "Having promised us a wider road, many of us are disappointed.

"They haven't widened the road on the narrow bit."

In short, she fears the road design could see the junction blocked as

by Anders Larsson  
anders@tindlenews.co.uk

queues build up in both Sector Lane and Lyme Road.

Her neighbour, Les Haynes, is not happy at all and expressed concern that emergency service vehicles may struggle to enter and leave Sector Lane.

He said: "There will be increased traffic with all the new people and Amberside cars.

"They will all come into Sector Lane."

A DCC spokesperson confirmed the stretch in question has not been widened, and added: "The section of carriageway between the widened junction and 7 Cridlake has not been widened.

The junction improvements and the new traffic priority works on Lyme Road have been subject of independent road safety audits during the design and planning stages - and further independent road safety audits will take place when the works are completed.

"Any problems will be reported back to the scheme designers and the County Highway Authority for comment."

## Glove ceremony marks market's 800 years

■ Rev John Streeting, town crier Nick Goodwin, Lord of the Manor Jim Rowe, mayor Jeremy Walden and Keeper of the Glove John Tarling. (front) the mayor's wife Joy

THE Lord of the Manor Jim Rowe has performed Axminster's ancient glove raising ceremony, writes Peter Hodges.

The ceremony also celebrated the granting of a market charter in 1215, making this the 800th anniversary of said document.

The glove is raised on the closest Thursday to the feast day of St John the Baptist which is celebrated on June 24th.

The glove would also signal the beginning of the now defunct Axminster Fayre Week, but this year instead coincided with the end of the Axe Vale Festival.

The standard practice at the time of the charter was, so long as the glove was raised no man could be arrested or hung.

### Fuel stolen from shed

POLICE have urged householders to be aware of fuel thieves in and around Axminster.

Someone broke into a shed in Lyme Road and forced open a red diesel tank before draining it.

The break-in took place at some point between 1pm and 5.30pm on Wednesday, June 17th.

A police spokesperson said: "Report any suspicious activity you may see, trying to note make models, colour and registration of any vehicles seen.

A club spokesperson said: "There will also be Karizma Majorettes, the ever popular Lions Club stall, a bouncy castle and a number of side shows.

"We would also like to invite any local organisation or club, which has charitable objectives to bring their sideshow and join us at Cloakham, so that they can raise funds for their

"Entrance to the Cloakham Lawn grounds will be free of charge and entry into the novelty dog show will cost £1 per entry in each class.

# Showground packed as beer festival is a 'rip-roaring' success

AXMINSTER Beer, Music and Cider Festival was described as "a rip-roaring success" by organisers as more than 1,500 flocked to the showground on Saturday, June 27th.

The festival is run by Axminster's independent and self-funding Tourist Information Centre (TIC), and is its main fundraiser.

A TIC spokesperson said: "TIC treasurer Shane Morgan led his team of volunteers to put on yet another rip-roaring success."

"Held in the Trafalgar Way Showground, courtesy of the DL and LF Burrough families who provide the

field, the festival enjoyed warm summer weather and attracted over 1,500 through the gate – mostly made up of local families and friends.

"Some who were visiting East Devon from as far afield as Holland also called in to sample the selection of local beers and ciders to wash down delicious salads and locally sourced burgers catered by TIC volunteers."

TIC Chairman Sarah Crook described the event as "a terrific day out enjoyed by all".

Mr Morgan summed up by saying: "I am so glad that there was again fantastic support to make this such a magnificent local event."

"The day went off without a hitch and the community spirit resounded.

"There was not a drop of beer left in the barrels – the house was drunk dry.

"The band line up ensured that the place was jumping – our very own miniature Glasto.

Local musicians Elliot Bastin, The Reckless Princess, Six Days, Mothers Ruin, Wise Intentions, Live Wired and Reckless put on a thumping 11 hours of wall to wall sounds.

"A big thank you to the Axminster TIC for staffing the event assisted by the Axminster Rotarians.

"I also thank the local professionals, producers and suppliers who yet again helped make the day the safe and successful day it was.

"I look forward to re-staging the festival in 2016 to continue to raise funds to keep our TIC operational and running smoothly".

The exact amount raised was not known at the time of going to press.

\*The TIC also held its 100 Club June draw at the showground. The winners were Rita Oaten (£14), Tim Pritchard (£8) and Mick Crook (£5).

## "Wishing Well" – Axminster's cancer support group.

Come along to our FREE talks Thursday afternoons 2.30-4.30

"WISHING WELL" is the newly re-launched support group for those affected by cancer and their carers. The group is hosted by the Axminster Health and Wellbeing Centre, Hanover House, Chard Street on Thursday afternoons from 2.30 until 4.30pm and is open to anyone affected by cancer and their carers.

Over the last couple of weeks people have enjoyed a talk by Steve Darch on Buteyko Breathing Techniques and an opportunity to meet some of our therapists and find out how complementary therapies may be able to help them.

This week on Thursday 2nd July at 2.30pm Tracey Warren will be giving a talk. Tracey has written articles for both trade and national magazines and has been interviewed by Radio 5 Live and BBC Somerset. Her talk is entitled "Care for Carers" but will be relevant both for carers and people experiencing cancer. Tracey also has great experience in helping those that have been bereaved and has pioneered a 6 week course called "Grief Journey" which we hope to run from the Centre at some point next year.

In the weeks to come we have a mindfulness taster session, a stretch and relax class, a talk on reflexology and the Rosen Method with many more in the pipeline including one on prostate cancer and one about nutrition. As well as being informative and helpful we are hope to provide a regular, safe place where people can come, meet others and feel supported.

Please call Sara at the Axminster Health and Wellbeing Centre for more information or to book a place on 01297 32331 or email at sara@axminsterwellbeing.com. Alternatively just come along. More information about the Centre is available on our website at www.axminsterwellbeing.com.

I would also be interested to hear from anyone who would be able to volunteer any time to help the group in any way or anyone who thinks they could offer an interesting talk to the group.

## Positive jobs news lauded by local MP

EAST Devon MP Hugo Swire has welcomed new figures showing that since 2010 the number of people in East Devon claiming Job Seeker's Allowance fell by 511 – a 60 per cent drop.

Additionally, the figures also showed that wage-growth in Britain hit a four-year high of 2.7 per cent in April, providing a welcome increase to household finances.

Hugo Swire MP said: "It's great news that over the last five years the

number of people relying on Jobseeker's Allowance here in East Devon has fallen by an incredible 60 per cent.

"That means more families with the security and stability of a regular pay packet and in a further boost for families financial security we've also seen the highest real wage rises in seven years over the last year.

"This is down to the hard work and the determination of people of

### Shute window fire

THREE firefighting appliances – from Axminster, Colyton and Seaton – were mobilised to Shute after a report of a bonfire spreading towards a property.

The alarm was raised at about 4.50pm on Wednesday June 17th, and a spokesperson for the fire and rescue service said: "Upon arrival crews found a small fire in the window void of a second floor window.

"Crews used two hose reel jets, one covering jet, two thermal imaging cameras and small tools to extinguish the fire."

## Kilmington gardens' best ever weekend

PERFECT garden visiting weather encouraged a record number of visitors to Kilmington for the afternoons of June 13th and 14th.

The gardens were busy with people enjoying the sunshine and exchanging gardening tips and advice.

St Giles' Church ladies worked flat out to provide lovely teas for everyone to enjoy in a relaxed setting with beautiful views and listening to the excellent Jurassic Coasters Swing Band.

The National Garden Scheme, which last year donated £2.6 million to mainly nursing charities, will benefit by the amazing sum of £2,022 and St Giles' Church – £682 for the teas.

On behalf of the NGS, the garden openers would like to thank their visitors, everyone in the village who helped, those who donated plants to sell and the band who freely gave their time over both afternoons.

# Spreading the message

AN ALZHEIMER'S Society dementia champion has visited Scott Rowe Solicitors in Axminster.

Heather Penwarden is working to make Honiton a dementia-friendly town, and has spread the message to Axminster.

The dementia-friendly town concept was introduced by central government two years ago in a partnership with Alzheimer's Society.

As part of the process, individuals can be made dementia friends, and the target of one million has already been hit.

Being dementia-friendly involves a general level of awareness and, in the case of towns, it could involve making sure that buildings are easier to use for those suffering from dementia.

This can be done through improved signage for toilets, exits and so on – and there are examples of supermarkets having a 'Not In a Hurry Till' for people who may need more time than the average customer.

As part of her efforts, Heather was invited to talk at Axminster Library.

A Scott Rowe Solicitors staff member attended the talk and asked if she could give another.

Heather was happy to oblige and told *Pulman's View*: "Just over 20 people attended the talk at Scott

Rowe's. More information will follow as the project moves forward.

# Dalwood stalwart awarded BEM

by Anders Larsson

anders@tindlenews.co.uk

A COMMUNITY stalwart thought someone was "having a laugh" sending her a fake letter to say she would be awarded a British Empire Medal (BEM) in the Birthday 2015 Honours List.

But the correspondence was genuine, so Kathy Laing will, indeed, be awarded a BEM for her services to the community of Dalwood.

She was away visiting her son, Stephen, and grandchildren in Sussex when her daughter, Sophie, phoned to say what looked like a very important letter had arrived.

■ OFFICIAL DOCUMENT: Kathy Laing

Sophie asked for permission to open it, and Kathy agreed.

When told of the award, Kathy told her daughter: "Don't be silly, it is someone having a laugh."

But it wasn't.

Kathy has been involved with many Dalwood-based organisations, and is currently chairing the parish council, the village hall committee and the community shop committee.

She is also, for example, involved with Cory Valley Community Land Trust.

When asked why she thought somebody decided to nominate her for the award, she said: "I have no idea."

"I'm just generally involved in various fundraising initiatives for good causes – we are always fundraising for something here."

"I've got to credit all hard-working individuals in Dalwood who make it the success it is."

"It is a team effort."

## Royal reply

■ PUPILS at Membury Primary School have engaged in Royal correspondence.

The Key Stage 1 children wrote to The Duke and Duchess of Cambridge to congratulate them on the birth of Princess Charlotte.

Senior teacher Tracey Leganski said: "The children have all received individual replies."

Photographed are some of the pupils and staff, proudly displaying the cards they received in the post.

## Branscombe pre-school is 'outstanding'

STAFF and children at Branscombe Pre-School are celebrating gaining the highest possible accolade from education inspectors.

Inspectors from Ofsted visited last month (May) and have rated every aspect of its operation as Outstanding.

Lead inspector Sharon Peel says the quality and standards of the early years' provision at Branscombe are outstanding. So are the effectiveness of its leadership and management, its contribution to the well-being of the children and the way it meets the needs of the range of children who attend.

Inspector Peel said in her report: "Children make excellent progress and have a happy and highly enjoyable pre-school experience."

Staff work very closely with parents, primary school staff and other professionals to ensure all children's needs are effectively met.

Staff provide an innovative and exciting programme of activities.

Staff use highly effective teaching skills that encourage children to think, be creative and become independent. Children are extremely motivated and enthusiastic about their learning. They behave exceptionally well and younger and older

children play very happily together.

"Extremely strong links with school staff ensure children are exceptionally well prepared for their move to school."

Pre-school leader Karen Williams said: "I am delighted that we have been graded as Outstanding across all areas and proud

that our hard work and dedication has been recognised.

"I'd like to say a big thank you to everyone who has made this possible – especially my team who help to make the pre-school such a wonderful place to work."

## Thorncombe rail enthusiasts

QUENTIN Hawkes returned to the Thorncombe Rail Activities Club for the June meeting and showed a selection of photographs taken over the many years he has travelled far and wide to record the railway scene.

The photos covered many unusual and interesting workings, both in the present era and that of steam hauled

trains, and a range of freight workings.

The next club meeting is on Wednesday, July 15th, with a talk by Phillip Bissat, 'Travels in Wales and Scotland'. The meeting is in Thorncombe Village Hall (TA20 4NE) and starts at 7:30pm. Non-members are welcome, there are refreshments, and parking is free.

## Women's Institutes ROUND UP

### COLYTON

PRESIDENT Jean Hutton opened the meeting and welcomed new member Jan.

Apologies for absence were read followed by business of the month: events and outings, the Axe Vale show entry was coordinated by Jean Underdown and members were shown the art entry by Teresa.

The month's speaker was Roger Bagg, who spoke on the Monmouth Rebellion. Following the very successful Monmouth Rebellion Day, held the previous Saturday in Colyton, he was in his costume and cut a dashing figure.

The flower of the month competition was won by Brenda Clark with a beautiful delphinium.

The second competition, for either cake or biscuits sampled by the members, was in memory of late member Joyce Davis – the winner's recipe will go in a recipe book being organised by the Friends of Colyton library. Joint winners were Joan MacDougal with ginger shortbread and Sallie Herniman with ginger and coconut.

Jean closed the meeting. The next meeting will be a garden party in Brenda Clark's garden.

Colyton WI meet the third Tuesday in the month and would welcome anybody interested.

## Johannesburg insight for RBL

AXMINSTER Women's Section RBL member and Standard Bearer Valerie Clarke gave an account of a trip to Johannesburg at a recent meeting.

Ten years ago Valerie accompanied an 89-year-old widower, as his carer. The trip began with her charge getting lost at Heathrow and a potential weapon in the form of a nail file removed from his luggage at security.

Memorable tours included a safari in Kruger National Park, where they saw many animals at watering holes,

graphs were circulated at the meeting, a reminder of a holiday of a lifetime, which also included a trip to Mozambique.

During the meeting, members were reminded that the annual Devon Cream Tea will take place on Friday, July 10th from 2.30 pm in the Senior Citizens' Rooms. Entrance is £3 and cakes will be available as well. The event is open to everyone and pre-booking is not essential. A warm welcome is guaranteed.

## Writing group to start library meetings

"OFFSHOOT", a writing group based in Seaton and Colyton and formed last year, is about to launch monthly evening meetings at the Seaton library.

Contact for the group, Andrew Gold, says:

"We are a friendly and supportive forum where members discuss their writing. We've been holding fortnightly daytime sessions in each other's homes, but want to enable writers with daytime commitments to join us so, while we will continue meeting in each other's homes, we are now adding evening meetings in Seaton Library on the second Thursday every month. We hope our first session there will be on Thursday, 9th July, from 7-9pm."

Mr Gold points out that there is only one requirement for membership.

"We are not a writing class. We have no rules and, currently no membership fee. We write for pleasure, and have a lot of fun in our meetings, but we want to improve and learn from each other. We don't mind what type of writing members do, or what standard they are, but members have to be prepared to discuss their work and give, as well as receive, constructive comment – and, of course, take turns to provide tea and coffee!"

For more information Mr Gold can be contacted in Seaton on 01297 625288

## Castle Drogo talk for Honiton U3A

HIGH above the River Teign perched on the edge of Dartmoor stands the National Trust's Castle Drogo, but at the moment from a distance it looks more like a giant plastic box than a castle.

To explain why, Honiton U3A welcomed Paula Clarke, Castle Drogo's Community Engagement Officer, to their June meeting at the Beehive.

Paula began with a brief history of the castle, which was built in the early part of the twentieth century by Julius Drewe, the owner of the Home & Colonial Stores, who engaged the famous architect William Lutyens to design and oversee construction. It took twenty years to build and was completed in 1930. In 1970 it was gifted by the family to the National Trust.

There were problems with the building from the start. No one had taken into account the extremely wet weather that blew in off the moor. Many attempts were made over the years to rectify the leak problems, but nothing solved the situation.

When it was discovered that the steel joists that supported the whole building had only five to ten years left, a permanent solution was sought. In 2006 a test phase was done on the chapel and proved successful. It was 'good to go' for the whole castle.

The complete cost was estimated at £11 million, funding for which has come from

# Seaton beach huts divide opinion

IT IS hardly surprising that the current beach hut owners (*Pulmans*, 9 June) are opposed to any change of the allocation system for the huts in Seaton. The status quo is in their interest. However what many of your readers may not realise is that they, as council tax payers, are currently subsidising this system. Whatever system is adopted in the future this subsidy must cease as beach huts are not an essential service and surely most residents would prefer the council tax funded essential services.

There are more than 300 individuals, including us, on the waiting list for huts with little chance of ever getting one under the current system. However the suggested

bidding process would surely disadvantage the many and favour the well-off few.

Perhaps EDDC could consider: Allocating the majority of the huts to local people (with Seaton postcodes) at full cost recovery (i.e. no subsidy). If demand still outweighs supply then hold a ballot with a maximum three year tenure. Reallocate after three years using the same system.

Handing the remainder to Seaton TIC to allocate on a weekly basis giving visitors to the town an opportunity to rent a hut while here. Again at full cost recovery.

## Scrap the district council

WITH regards to the letter by Paul Freeman in the *Pulman's View From* (June 23rd): East Devon District Council has always been a thorn in the side of small towns in Devon.

They only look after towns that bring in lots of rates from the like of coastal towns with hotels along the seafront. All suggestions for other towns go into the pending tray gathering dust.

It is about time that Devon County Council had a referendum on

whether we need district councils or not. I know what our answer would be; that old saying "too many cooks spoil the broth" is right. All we need is the county council and local councils, and of course, we will save by not paying expenses to the EDDC councillors for doing nothing but having their photos taken holding up a cheque that someone else has donated to charity.

## Rib-tickling performance

MAY I once again pick up my pen to make comment on the artistic talent that took place in Axminster.

We witnessed on the stage at the Axminster Guildhall a show of talent and versatility (Cash on Delivery, Axminster Drama Club).

Let us first take the stage set for this rib tickling performance, it was meticulously well done with four doors and a

staircase. Not once did any of these doors stick or fall apart nor did the walls quiver or shudder.

The timing of the actors was so sharp that it left us all with so aching sides with so much laughter.

Well done Axminster Drama Club. I look towards the next production.

## Garden party success

AXMINSTER Health and Wellbeing Centre hosted a garden party on Saturday, June 13th, to raise funds to support community projects based at the centre.

Money raised will go directly to Axminster Food Bank and 'Wishing Well' – the cancer self-help support group.

Attractions at the event included taster complementary therapy treatments, refreshments, a prize draw and various stalls.

The centre were delighted by the number of people who supported the event, which included families and one dog!

Many people took the opportunity to enjoy a taster treatment and relax in the garden.

The event generated over £260 in just three hours.

**AXMINSTER HEALTH & WELLBEING CENTRE**

PROPOSED changes to beach hut tenancies at Seaton are a direct result of government cuts to local services, designed to maximize income over local interests.

As a regular visitor to Seaton, I am appalled that East Devon District Council is proposing to auction Seaton beach hut tenancies to the highest bidders for a five-year lease.

Existing tenants who voted Tory in the recent elections deserve what they get but might wish to think twice about who they vote for in the future!

## Winston's music marathon

A BIG thank you to Irene, Derek and all Winston's staff, Mandy and Steve for all their organisation of the Winstons "12 Hour Music Marathon" on the May 23rd.

To Chris – a very big thank you. Again, you have put so much work into making the day such a great success for which we are very grateful.

Winston's customers – thank

you for supporting the R.N.L.I. The total raised was £1,176.00 for which we, the Seaton, Beer and District volunteers are very grateful. This money will be re-directed to Burnham-on-Sea, Somerset, to help to provide a new lifeboat costing £41,000.

## Greenshutters Nurseries & Garden Centre

# Greenshutters Nurseries & Garden Centre

GREENSHUTTERS Nurseries & Garden Centre is a family run business nestled in the heart of the Somerset countryside. It is open 7 days a week and stocks an extensive range of plants. The Garden Centre has completely changed in the last few years with the layout being completely re-designed. There are new entrances from the road and into the Plant Area and the old-fashioned wooden greenhouse has been restored to its former glory with its bright, white painted wood. Most of the plants are now on tables so you don't have to bend down to look at them and the layout has been designed to make the walk around the plant area enjoyable.

This year Greenshutters Garden Centre is stocking a much larger range of herbaceous perennials and roses, including new and unusual varieties. There is also a new range of quality garden benches dotted among the plants, so you are welcome to wander around the garden centre and take a rest as you go. You can even sit and enjoy the view over Taunton Vale and the Quantocks.

The business also incorporates EVERGREEN-HEDGING.co.uk, one of the largest stockists of evergreen hedging plants in the country. Thousands of plants are grown every year on the nursery from small to large, mature hedging plants; the best sellers being Laurel, Leylandii, Photinia 'Red Robin' and Portugal Laurel. These are delivered locally or nationwide or can be collected from Greenshutters Nurseries and Garden Centre.

Greenshutters is run by Dr Roger Eavis, who bought the nursery in 1998 and the business has grown steadily every year since then. "We pride ourselves on good customer service and advice, good quality plants and I hope we have created a pleasant place to wander and enjoy the plants." says Roger, "We have a great team of staff who are always willing to help and give advice". Greenshutters Nurseries and Garden Centre is well worth a visit.

### Anti-Gravity Treadmill

East Devon Sports Therapy is extremely proud and excited to announce that they now offer even better rehabilitation using their new Alter-G anti-gravity treadmill. This is a NASA designed and patented piece of equipment allowing clients to start partial weight bearing exercise a lot quicker than conventional methods. The device can take your body weight down to 20% of its norm allowing knee replacements, ankle sprains, arthritis, muscle strains and many more ailments to exercise pain free with minimal impact to the joints, enhancing and speeding your recovery and well being to the max.

### RS Footscan

This system offers analysis of walking and/or running over our footscan mat with over 4000 sensors embedded into it to gain in depth analysis of your foot positions, pressure and force distributed during the motion, in both 2D and 3D. The advanced software allows automatic division of the foot into specific regions.

This allows force and pressure distribution within these areas to be analysed and associated with certain foot mechanics and functions. Force & pressure distribution in all regions of the foot can be analysed in graphical format, allowing insight into force & pressure in both localised and general areas under the foot during the stance phase. Once this information is

achieved we are able to prescribe custom made orthotics to suit your individual needs.

### About Laser Therapy (LLLT)

Anti-inflammatory, Analgesic, Promotes repair  
Low level laser therapy (LLLT) is the application of red and near infra-red light over injuries to increase the speed, quality and tensile

strength of tissue repair; resolve inflammation and relieve pain.

LLLT is popularly used for acute and chronic pain on soft tissue injuries, joint conditions such as osteo and rheumatoid arthritis, neuropathic pain, post operation recovery and general body aches.

The only clinic within 100 mile radius using the same laser therapy system (LLLT) as the olympic and top international sports teams for photobiomodulation.

When cells are stressed, Nitric Oxide inhibits oxygen consumption by mitochondrial cytochrome c oxidase. This reduces production of a protein called ATP. LLLT displaces Nitric Oxide from cytochrome c oxidase thereby reducing inflammation and restoring ATP production, in turn allowing tissue to heal quicker and relieve pain completely drug free.

Other users of the same laser system include Harvard Medical School, NASA researchers, US Navy, RAF, British Army, BUPA and many more.

Welcoming the newest member of the team Scott Silsbury, who has joined the clinic after a successful 5 years working with Torquay United and Dartmouth sailing club after completing his Sports Therapy BSc Hons degree.

## Val Davis Traditional Acupuncture

**Acupuncture can improve and maintain health and energy and enhance a sense of well-being**

ACCORDING to traditional Chinese philosophy, our health is dependent on the body's motivating energy (qi) moving in a smooth and balanced way through a series of channels beneath the skin.

Acupuncture can affect the quality of qi, your body's vital energy, by the insertion of very fine needles into specific points along these channels. This stimulates the body's healing response and restores natural balance. Treatment is aimed at the root cause of your condition as well as your main symptoms. This approach helps with resolving your problem and enhancing your feeling of well-being. You may notice other niggling problems resolve as your main health complaint improves.

The type of conditions that I mostly see in my clinics include the following: arthritis, back pain and sciatica, poor circulation, low energy levels, hormonal/menopausal symptoms, pregnancy management, fertility problems, weight management, and addictions such as smoking. However, you don't have to be ill in the conventional sense to benefit from acupuncture, sometimes people come to see me because they are feeling low, unwell in themselves, or maybe not sleeping as well as they would like to.

Professional Acupuncturists spend at least 3 years training at degree level to become an Acupuncturist. We are then entitled to join the British Acupuncture Council and to use the letters Lic.Ac., B.Ac.C after our names. We also have public liability and professional indemnity insurance. Many of us have also studied at post-graduate level and are constantly updating our skills and experience.

So, why not give me a ring and see if I can help.

## West of England Laser Centre

### Birthmarks, Thread Veins And Other Blemishes

BROWN birthmarks are caused by an excess of melanin, the skin's natural tanning pigment, causing, for example, 'cafe-au-lait' birthmarks. Exposure to the sun's ultra-violet rays can also result in similar changes such as freckles and sun/age/liver spots.

Red birthmarks, such as 'port-wine stains' are caused by an excess of blood vessels near the skin surface, varying from pale pink to purple. Other blood vessel problems sometimes occur in the form of unsightly 'thread/spider' veins and 'blood spots' (haemangiomas).

The West of England Laser Centre at Nuffield Health Taunton Hospital undertakes treatment with advanced laser technology. A variety of lasers using different types, colours and intensities of laser light are used to treat different skin conditions. The laser energy either destroys the vessels by heat or breaks down pigment into tiny particles which

are then dispersed naturally by the body. The darker the pigmented area to be treated, the more treatments required.

Also available: laser removal of other skin conditions such as excess

hair, moles, warts, verrucas and tattoos plus surgery for baggy eyelids (blepharoplasty). For further information please contact us on 01823-331773 or visit our website at [www.welc.co.uk](http://www.welc.co.uk)

### The Alexander Technique for Riders

GOOD for us and good for our horses!

'The horse has given us pleasure ages and service throughout the ages. Yet all the while it was bringing us an even greater gift: a gift of life - the lesson of 'good use'. (Danny Pevsner)

If you watch a horse when he is free, he uses himself well, his head, neck and back in perfect alignment. Although the horses' muscle and bone is essentially the same as ours, his muscular and skeletal systems are profoundly affected by the fact that he is physically and psychologically developed for running away from his enemies. He was not primarily designed to have someone sitting on his back. Carrying a rider changes his movement: horse and rider have a dynamic balance - balance in motion not static balance. If that balance is disturbed in any way the horse will not be able to move freely.

The Alexander technique can give us a practical way in helping us to overcome our habitually muscular tension. Our horse will enjoy our newfound lightness and will appreciate being able to move with lightness himself.

## Trudy Smith - BWRT

## Brain Working Recursive Therapy

BWRT is a relatively new form of therapy for the 21st century which is evidence based and solution-focused. Often, only one session is needed. BWRT stands for Brain-Working Recursive Therapy, a model of psychology and psychotherapy created by professional therapist Terence Watts MCGI. It is totally confidential that doesn't require you to reveal any private information or personal secrets to your therapist and it is carried out in a completely conscious state. It does not use hypnosis or any mystical concepts. It is completely logical and practical and only needs you to know what you want to change in your life for it to be completely successful. Only certified practitioners have been trained to deliver BWRT and all have to adhere to a strict ethical code. Find out more at <http://bwrt.org>

### Therapy of the Month

Advanced Massage Therapy – Emma Gilmore and Jon Stocks

‘Aiming to restore you to a pain-free, active lifestyle’

Emma and Jon work with clients who are seeking treatment for pain and chronic disorders, help with posture and mobility and help with managing stress and injury. They aim to help patients gain a greater sense of empowerment and believe in the innate power of the body to self-heal, both Emma's and Jon's work prompt the body to do this.

### What is Myofascial Release?

Emma and Jon believe that Myofascial Release is the missing link in body care. It has been around in different forms since Andrew Taylor Still (1828-1917), founder of Osteopathy, used feedback from palpating to achieve release of myofascial tissue.

Fascial restriction does not show up on CAT or MRI scans, therefore many patients can be suffering unresolved physical and emotional pain due to undiagnosed physical trauma. The myofascial release practitioner looks beyond the symptom to the root cause. For scientific evidence on how fascia responds see [www.fasciaciongress.org](http://www.fasciaciongress.org) and visit School of Bodywork's website [www.schoolofbodywork.com](http://www.schoolofbodywork.com) to find out more.

## Roots To Health

ROOTS To Health is a local complementary consultancy, advice and prescription practice run by qualified medical herbalist Jayne Palmer.

Herbal medicine, or Phytotherapy, is a science in its own right, based on modern scientific research. It's the world's oldest and most widely-used form of medicine and uses plant extracts to treat common health complaints such as raised blood pressure, headaches, stress and indigestion.

Jayne has a BSc in Phytotherapy. She spent many years working in local health food stores as a herbal advisor, then decided to work within a conventional medical role as healthcare assistant at Honiton Surgery, in order to gain the benefits of both fields of medicine.

Last year, she decided to set up her own clinic, which she now offers at the Health and Wellbeing Centre in Axminster on Mondays and at the Chiropractic Health Centre in Honiton on Saturdays.

Jayne explains: "Herbs can be used to treat the body in many different ways and, combined properly, will work effectively as medication for a large range of diseases. We are all unique and will respond to herbs differently. As a herbalist, I'm trained in the same diagnostic skills as orthodox doctors and choose herbs specifically for each individual. I search for, and treat, the underlying

## Lindy Parry

I HOLD my private chiropody clinic at Townsend House Surgery in Seaton.

I offer a range of treatments from a simple nail cut to nail surgery, and each treatment plan is priced accordingly.

The nail cutting only service is a shorter appointment and is ideal for those that don't have any other foot care needs. Others like to alternate nail cuts with chiropody treatments as it best suits their requirements. I always aim to work with the patient to find the best treatment plan to suit each individual. Patients feet are then monitored during treatment so that changes can be made should the need arise.

Diabetic patients who attend for chiropody will also have a diabetic foot assessment carried out during their first treatment, and will then be monitored and re-assessed as necessary.

My chiropody clinics are available to anybody seeking help with their feet and Townsend House and I look forward to welcoming you.

Bookings can be made by calling 01297 22956.

# Asking For It

PINCH bring their provocative and humourous show to the Marine Theatre

FOLLOWING the development of this production at the Marine Theatre as part of the R&D by the Sea programme last year, The Marine Theatre is pleased to welcome back PINCH's latest work, 'Asking for it', on Thursday, July 2nd.

The show examines the phrase 'asking for it' through dance theatre with a healthy dose of the ludicrous. From the street to the bedroom, squeezed between shame and fetishisation, female sexuality is policed and promoted in conflicting ways. PINCH explore this territory in search of freedom, delving into the debate without agenda, in search of a way to simply be...yourself.

Performed with delicious humour Asking For It celebrates the ridiculous and desperate in equal measure, capturing the paradoxes of using sex to gain empowerment.

PINCH perform 'Asking For It' on Thursday, July 2nd, 8pm at the Marine Theatre, Lyme Regis.

Tickets are £12, concessions £10, and a TheatreFriends discount available.

Age suitability: 14+

## Speakeasy Night at the Arts Centre

MIKE Denham returns to Ilminster Arts Centre to host another of his hugely popular 'SpeakEasy Nights'. These occasional concerts see Mike take his accustomed place at the Arts Centre's parlour grand piano and team up with a special guest musician to play music from the golden age of jazz.

For this speakeasy session Mike will be joined by the formidably talented clarinetist and sax player, John Wurr.

It will be an evening of vintage jazz played by two masters of this particular genre. The programme will feature tunes from "Tin Pan Alley", Broadway and the UK popular charts, from the 1920s through to the 50s, interspersed with

interesting facts and amusing anecdotes about the music and those who wrote and performed it.

The dark days of Prohibition may be long gone but as Mike and John prove, the music of the era lives on.

The Mike Denham and John Wurr Speakeasy Night takes place at Ilminster Arts Centre this Friday, July 3rd at 8pm. Tickets are £12

## Texan Country star at the Cavern

SaraBeth

THE FAMILIAR saying "everything is bigger in Texas" comes to mind when describing the voice of powerhouse Country vocalist and Texas native, SaraBeth. Born and raised in Dallas, SaraBeth is a contemporary country singer-songwriter who is making her mark in Nashville as the sweetly southern artist with an edge. The smart, beautiful and talented songstress is quickly earning fans with her spirited vocals and energetic live performance.

SaraBeth introduced herself to country music this past year with the release of her debut album, "Anything Is Possible." Her music videos found their home on GAC & ZUUS while she became the only top independent trending artist on

CMT.com. With dates nationwide, she has shared the stage with Craig Morgan, Brantley Gilbert, Lonestar, Tate Stevens and has participated in the 2013, 2014, and 2015 City of Hope Celebrity Softball Challenge alongside Florida Georgia Line, Brett Eldredge, Little Big Town, Vince Gill and more. Her current project, a self-titled EP simply called SaraBeth, was released in April 2015 and was entirely co-written by SaraBeth.

SaraBeth doesn't take all the credit for her drive, determination and passion for music. When asked, she explains that her family plays an essential role in her story. "My younger brother was drafted to play pro baseball for the Cardinals, my dad recently wrote a book on motivation and inspires people all over the world, and my mom is the glue that holds us all together. With all these incredibly successful and driven role models in my life, I thought, how can I NOT go after this dream?"

Being born and raised in the Texas music scene, SaraBeth knows country music. Her pride for her home state, coupled with her love for genuine, authentic lyrics, has influenced her style and kept her true to her roots. She has appeared on a multitude of television shows including the nationally syndicated Daytime, Good Day Dallas, D The Broadcast (Dallas), Fox 26 Morning News (Houston), Great Day SA (San Antonio), More at Midday (Nashville), Tennessee Mornings (Nashville) and nationally syndicated radio show, The Bobby Bones Show, and continues to raise awareness to her budding music career.

SaraBeth plays at the Exeter Cavern on August 18th. For more details and to book visit [www.exetercavern.com](http://www.exetercavern.com)

The Paperboys | Saturday, July 25th

JUNE got off to a great start when we were entertained by the totally unique World Music group, Baka Beyond. Theirs is a fusion of Celtic and other Western music styles mixed with the traditional Baka music from Camaroon. The rhythm is totally infectious and resulted in nearly everyone on their feet moving to the beat. Baka Beyond proved once again that they are not only unique but also fantastically entertaining. Loved by all!

On Friday 12th, Greg Russell and Ciaran Algar visited us for the first time – and I am sure it will not be the last! These two amazingly talented young musicians gave a fantastic performance. It was easy to see why they have won so many awards since the duo's formation in 2011. Fiddle, guitar and voice have never sounded better. Certainly ones to watch for the future.

Saturday, June 20th brought the 4th Petherton Folk Fest to the village and we were lucky to again enjoy a dry day. Once more large crowds attended and fully enjoyed the music and dance that was available in venues throughout the village. Children were particularly well catered for with workshops, Punch and Judy and an excellent puppet show presented by The Angel Heart Theatre. A range of musical tastes were catered for with one of the highlights being the closing set by The Drystones, the young duo from Priddy who went on to perform (again!) at Glastonbury. Great food, great music and great fun make a winning recipe and we will do it all again next year on Saturday 18th June (an early date for your 2016 diary!).

I would like to extend a huge "thank you" to all who make this event possible, including the District and Parish Councils and Orchards Estates, who sponsored the event. Plus, a massive "thanks!" to the hard-working committee and all the volunteers, without whom the Folk Fest could not happen.

July sees the start of The David Hall's new programme which contains some really exciting events. This is well demonstrated by the contrasting gigs in July which start on Saturday 4th with the return of mother and daughter duo, Chris and Kellie White. The world-class vocals of internationally-lauded Chris, and the uncannily similar quality of daughter Kellie, combine for an evening of unforgettable live music. Last with us in May 2011, this duo will provide a night of quality entertainment.

On Saturday 25th we are delighted to welcome,

Chris and Kellie White | Saturday, July 4th

for the first time, one of Canada's top bands – The Paperboys. I first saw this band a decade ago and have often dreamed of getting them to perform in our special space. Led by Mexican-born Tom Landa, The Paperboys fuse Folk, Celtic and Bluegrass with Pop and Rock. One of the tightest bands you will ever see. They will be supported by Dan Webster, a seasoned English singer/songwriter described by Americana UK as a hybrid of Damian Rice, Seth Lakeman and Tom McRae. This is a gig that should not be missed!

The Peatbog Faeries | Friday, July 31st

Friday 31st sees the 4th visit to Petherton of the Isle of Skye's famous band – The Peatbog Faeries. Each time we have had The Peatbogs at The David Hall we have sold every seat, and at the time of going to print, only a few tickets remain.

The Peatbog Faeries are the trailblazers of the Celtic dance music renaissance. This will be a 'Chance to Dance event' which means plenty of room to dance but, we still cater for those wishing to sit and listen. We have been able to secure this booking because the band is on its way to the Sidmouth Festival, where they are headlining on the Saturday. This is high-octane Celtic dance music as you've never heard it before and is a great way to end a fantastic month of music!

**Cheers! to all,  
Pete Wheeler,  
Petherton Arts Trust**

# Lyme Regis is ready to rock as Big Mix welcomes Glasto stars

GLASTONBURY is over for another year, but Lyme Regis is preparing to go global on Saturday, July 4th as this year's Big Mix family youth music festival welcomes a world of talent to the town from near and far.

Fresh from their appearance and having a massive impact at Glastonbury, dance band KOG and the Zongo Brigade will headline the festival. Fronted by the irre-

pressible Ghanaian-born songwriter and performer Kweku Of Ghana their blend of West African rhythms, soul, funk, reggae and Latin jazz has taken them all over Britain and Europe and they arrive in Lyme Regis on the back of a UK tour in support of their seven-track Akwaaba EP.

Returning to the Big Mix stage in Theatre Square are Brighton-based power pop trio The RPMs. Originally from Bridport, singer Jack Valero can't wait to return to the local scene of some of their very first gigs together.

"We're really looking forward to playing for B Sharp again," says Jack. "We had so much fun when we played for them before and they were very supportive in those first few days of us starting out as a band."

"The Big Mix is really great because it's pretty much the only music festival for aspiring musicians in the Dorset area to perform at."

Also following up a storming show at Glastonbury, Calamity Poets bring their self-styled 'spaghetti shonk' – a fusion of blues, folk, rock and jazz – to the Big Mix having expanded their original guitar and trumpet line up to incorporate a full band.

Promoted by young people's music charity B Sharp, the Big Mix is run by young people for young people and families with a range of fringe activities including mobile skate ramps and a chill out and 'crafter-noon' area run by young artists that includes a hooping workshop, face painting, nail art, hair braiding, beach art and much more.

The bill also includes Bridport singer songwriter and B Sharp young music leader Ella Squirrell, Weymouth-based grime artists SouthDub, Lyme's own pop jazzers Joanna Clark and Nathan Austin and opera singer Chloe Stratta, who worked for B Sharp as a singing mentor. Four groups from Hub Jams, B Sharp's creative music making sessions, will launch a four-track CD and Boombox Music, created at Charminster Primary with B Sharp music leaders Jacques Verhaerent and Pete Wild, will also be performing.

The Big Mix runs from 1pm to 11.30pm in Theatre Square, Lyme Regis.

Tickets (£5, U18s £1) are selling fast and are strictly limited. To avoid disappointment organisers recommend booking now from Lyme Regis Tourist Information Centre on 01297 442138.

# Henhayes rocks along with the Boogie Men

THE HENHAYES Centre in Crewkerne is really pulling out all the stops in celebration of 40 years working to improve the quality of life of older people in the community. With the fifth concert this year, this time with boogie woogie piano maestros The Boogie Men, the Centre is building a reputation for a 'good night out' and good food as well. Last Friday night (June 26th) visitors enjoy chicken curry with an orange sorbet to follow. It was a fantastic evening of entertainment with the music of Chuck Berry among others and the amazing lightening piano

playing of Chris Rickard.

The Centre supports its work by staging events such as this but it is nice that everything is also so enjoyable, many relived their stylish moments on the floor to the sound of Elvis.

Don't miss the fun this coming Friday when there will be a cream tea for just £2 between 3 – 5pm followed at 7pm until 10pm dancing to the music of The Dave Bowen Quartet £5 (remember Roll Out The Barrel last year?) with b-b-q food available. There will also be pictur-

res from 40 years ago on display – maybe you will spot a family member or friend.

## VIEW FROM

## the beehive

THE WORD is definitely getting out there that Honiton has a top class cinema with comfy seats, smiling staff, delicious ice creams and drinks from the bar that can be consumed whilst watching a fabulous movie with your friends or family.

Another great thing is that because Honiton Community Cinema initially brought cinema to the town and the Beehive, it still feels like a friendly event within the community, which of course it is and due to this everyone feels very welcome and happy to turn up on their own.

TRIP community transport service are also providing lifts for the elderly or infirm, who cannot easily get to The Beehive, for the 7.30pm showing of The Second Best Exotic Marigold Hotel on Friday 3rd July. This arrangement is due to the generous sponsorship by Co-Operative Funeral care that recognised the need for this service within the town.

There are some great films coming up over the summer, the cult classic, Blade Runner (The Final Cut), The Woman in Gold starring Helen Mirren, Avengers: Age of Ultron, and Minions to name a few!

Our live events are also increasingly popular and we are still trying various acts to see what the good folk of Honiton like. On Saturday 4th July we have another fabulous Flamenco evening with soulful singing and absolutely captivating traditional Flamenco accompanied by David Nash on Spanish Guitar, with Tapas and supper all for £20!

Live band, Must be Mad will be playing traditional dances and some sequence dances at the Beehive Tea dance on Friday 10th at 2.30pm and Hazel and her team of volunteers will be serving the scrumptious afternoon teas. Then on the 11th we have the eagerly anticipated return of Sweet Honi'N' Soul for their concert of popular, rock and soul songs with some brilliant soloists accompanied by a live band and horn section.

The following Saturday 18th July everyone is invited to bring along a little something from their family archive, it could be an object, or a photo, something that means something to them, just to share with the artists at the end of the show. 'Archive' is a charming piece of dance theatre telling tales from each of the performer's family histories ranging from Grandma's 30's cruise and the ship's log to Granddad's tools and Granny's favourite recipes. For only £5 & £3 concessions, it is well worth a try!

# Beautiful Blue

## Mac at The Aviator

TEAMING the wonderful Chris and Ollie with the cheeky chappie, Dandy, to give you a great set, wonderful songs and haunting harmonies, Beautiful Blue Mac (BBM) are an exciting and established band with years of combined experience, not in just singing and playing guitars, but entertaining the audience (lets face it we all want to be entertained). Beautiful Blue Mac are available for pub gigs, functions, festivals, weddings, parties, anything really, we just love playing! Being a trio we can fit into small places but deliver a large sound and stage presence to get everyone dancing and singing along.

Guitarist Chris swaps between six and twelve string acoustic guitars during a BBM performance, to give their sets an amazing variety of sound. His percussive style allows them to play some very interesting and unusual songs.

# BEER, 3 BEDROOM HOUSE

WITH PARKING, GARAGE AND GARDEN IN BEER £397,500

1 Rock Cottages is a character 3 bedroom semi-detached house which has been home to the same family for a couple of generations and is now offered for sale by the current owners who have lived in the property for over 30 years. It is situated just off the centre of the village within easy walking distance of the shops and beach.

The property has been updated and improved over the years and in 2013, a beautiful loft conversion was created which now provides a spacious master bedroom with exposed beams and a contemporary en-suite shower room with WC. At the same time, a new gas central heating boiler was installed and the family bathroom was refitted to include a separate shower enclosure and partially

sunken, double ended, jacuzzi bath. There is a modern fitted kitchen and full uPVC double glazing throughout.

A particular feature of the cottage is the lovely landscaped gardens to the rear which rise up in terraces above the cottage including a high decked area which enjoys the sun until late evening. The cottage also boasts a large garage and parking for 3/4 cars which is a real bonus in the centre of this village.

The cottage is deceptively spacious and must be viewed internally to be fully appreciated. For more information or to book a viewing, please contact Fortnam Smith & Banwell Seaton on 01297 23939.

## As Comfortable As Never Before, As Dynamic As Always

WITH the new generation of the A-Class, Mercedes-Benz reconciles the conflicting aims of sporty performance and enhanced comfort: With DYNAMIC SELECT the driver is able to change the car's characteristics in just seconds – at the touch of a button the A-Class drives in a particularly comfortable, sporty or efficient manner. Mercedes-Benz has also increased the range of available engines. The new efficiency champion is the 80 kW (109 hp) A 180 d with CO2 emissions of 89 g/km. Also new to the range is the A 220 d 4MATIC. And with its dramatic design in the style of the successful MERCEDES AMG PETRONAS Formula 1 team, the special "Motorsport Edition" model will particularly appeal to racing fans. The Mercedes-AMG A 45 4MATIC also benefits from the model facelift. With peak output of 280 kW (381 hp) and a maximum torque of 475 Nm, the entry-level model from Mercedes-AMG is the world's most powerful compact sports model. The revised gear ratios, aerodynamic fine-tuning and the new DYNAMIC SELECT driving modes raise overall performance to a higher level, underlining the claim to leadership in this market segment. The new-generation A-Class can be ordered from 3 July 2015. The first models will be in dealer showrooms at the end of September.

"2012 was a year of paradigm change in the compact class. The new A-Class was a radical departure from the preceding series. And a suc-

cessful one: as the most progressive model in the compact class, the model series has done much to make the Mercedes-Benz brand more youthful. With this model facelift we are now meeting the wishes of many customers for even more comfort with no loss of dynamic performance," says Ola Källenius, member of the Daimler AG Board of Management responsible for Mercedes-Benz Cars Marketing & Sales. "In addition, with Apple® CarPlay® and MirrorLink® the A-Class has taken the next step for comprehensive and intuitive smartphone integration."

▲ The new generation A-Class

Striking lines, dynamically curved surfaces and coupé-like window lines characterise the exterior of the A-Class, following the design philosophy of sensual clarity. The form of the new, more arrow-shaped front bumper takes its lead strongly from the Concept A-CLASS (2011). With a diamond grille, new LED High Performance headlamps (optional extra; standard for A 45) and newly designed rear lights with exhaust tailpipes integrated into the bumper, the new generation emphasises the sportiness and dynamism of the successful compact class series.

## The new MINI Clubman continues generation change

ANOTHER new chapter has opened in the regeneration of the MINI model family, with the debut of the new MINI Clubman.

Following the success of the re-energised MINI 3-door Hatch and the successful launch of the MINI 5-door Hatch, the new model offers customers a premium vehicle featuring the highest level of ride refinement ever seen in a MINI.

The car's much-loved signature design feature – its split rear doors – are retained, while accessibility and everyday usability are further enhanced thanks to four full-sized side doors. The resulting car is a powerful fusion of sleek lines, innovative touches and first-rate materials with generous space for five occupants, excellent luggage capacity and classic MINI driving characteristics.

With a more mature and sophisticated design, the new MINI Clubman's dimensions are larger than those of the previous generation MINI Clubman. It's also 270 mm longer and

73 mm wider than the MINI 5-door Hatch, with a wheelbase which is 100 mm larger. The boot has a volume of 360 litres, which can be extended to 1,250 litres by folding the rear seats flat.

The latest generation of MINI TwinPower Turbo Technology engines have been installed under the bonnet, with three units available from launch – the MINI Cooper Clubman, MINI Cooper D Clubman and MINI Cooper S Clubman. # Deaths on the road increase by 4 per cent in 2014

THE Royal Society for the Prevention of Accidents (RoSPA) says more needs to be done to protect vulnerable road users after new figures revealed a rise in the number of deaths on Britain's roads.

The statistics released today by the Department for Transport show an increase in the number of people killed or seriously injured, in particular pedestrians, cyclists and motorcyclists, last year (2014) compared to 2013.

RoSPA is concerned as the figures show a four per cent rise in deaths to 1,775. Of particular worry is the number of vulnerable road users being killed or injured. Three-quarters of the increase in deaths were pedestrian casualties, meaning that last year one in four people killed on the road were pedestrians. There were also 16,727 child casualties in 2014 - up 6.2 per cent on the previous year.

Cyclists also account for a disproportionately high number of casualties, with 113 killed in 2014. Worryingly, there was a huge rise in the number of cyclists being seriously injured, from 3,143 to a total of 3,401. This number has been increasing almost every year since 2004.

Motorcyclist deaths rose by 2 per cent from 331 in 2013 to 339 in 2014, and there was an increase of more than 400 who were seriously injured, taking the number to 5,628 in 2014, a rise of 9 per cent. Overall motorcyclist casualties increased from 18,752 to 20,366, an increase of 9 per cent.

There were almost 200,000 casualties last year on Britain's roads - the first overall increase since 1997.

Traffic levels also rose by 2.4 per cent in 2014, which may account partly for the increase in deaths and injuries on our roads.

Kevin Clinton, head of road safety at RoSPA, said: "As our economy improves, we can expect traffic levels to continue to increase, so we must do everything we can

to make sure this does not lead to even more increases in road crashes and casualties.

"The reductions in road death and injury in recent years will not automatically be sustained, without a continued focus on road safety. We must remain focussed on making our roads safer for everyone, and especially for people travelling on foot and by two wheels."

**HONITON**

THE League's annual general meeting is scheduled for Monday, July 20th at Honiton Working Men's Club.

**petanque honiton****All welcome**

HONITON petanque club is holding an open day from 2pm to 5pm on Sunday, July 12th, when everyone can come and get free instruction from experienced players and try the game.

Petanque, or boules as it is often called, is growing rapidly in the UK and Honiton Petanque Club, which shares the Honiton Football and Cricket ground at Mountbatten Park in Ottery Moor Lane, opened this Spring and is already attracting a host of new members.

Club spokesman Chris Bigmore said: "The open day is a chance for people to come and try the game that is so popular in France, and we are not making a charge to attend. "Thanks to the support of Honiton Town Council, East Devon Council, Mountbatten Park, Honiton Sports and AG Signs we have all the equipment we need to loan to players."

"We play on specially prepared terrains in the UK and the new one at Mountbatten Park is an excellent new facility."

"We are now looking for new members who may be interested in joining a Devon League team in 2016, taking part in club competitions and challenge matches."

You will have a chance to learn the basics – how to throw the ball accurately, the different types of shot and an idea of the tactics that are so important to understand.

"There is so much more to petanque than whose ball is closest to the jack. It is a game of strategy and a bit of luck. The Club would like to attract players of all ages as it is not just a game for older people."

The Club meets on Sunday mornings at 10.30am and Wednesday evenings at 7pm. These sessions last about two hours.

Annual membership is £20 which includes membership of the Mountbatten Social Club and playing fees. The first four sessions are free and under 18s get free membership, loan of boules is also free.

All Club sessions are open to new players. To find out more call Chris on 07815 710810, visit <http://petanquehoniton.btck.co.uk> or email honiton-petanque@outlook.com.

SIDMOUTH Toucans Chicks held onto their unbeaten run and top spot with a victory over Howden Hawks who could not make up their deficit.

Chicks are now in a three-way battle for top spot.

With Flora Hastie playing well, they led from the start and, despite good play from Paige Faye for Howden, ran out winners 68-53.

With a game in hand Flamingos, also unbeaten, are the biggest threat to the top spot for Chicks. They proved too strong for JD Tyres who did just enough to earn a point from the game. With Lisa Pemberton in good

form Flamingos had gained the lead by half way and although Tia Munt worked hard for JD they could not stop Flamingos who ran out winners by 50-26.

Blackdown Ladies are also in contention for a top two finish thanks to their win over close rivals for that place, Ford & Pentecost Panthers.

Panthers worked hard to overcome their starting deficit but the ladies, for whom Nicki Perry had another fine game, resisted the Panthers onslaught led by Isla quick to win by 49-43.

The final game of the evening saw Pixies up against Hi Q. Pixies led until

half way but then Hi Q overcame their resistance to win by 49-34 thanks to good play from Lizi Bennett. Katherine Shahyah was the pick of the Pixies.

AVR's competed well in the FARWAY 10K and the slightly shorter races for youngsters known collectively as 'OVER THE HILL AND FARWAY'.

The 10k course starts with a very challenging hill and invites runners to compete for 'King and Queen of the Hill' as well as for the usual first male and female finishers.

AVR results (10K); Florence Swan was the first lady home in 45:41, Eleanor Wood 3rd lady 47:22; Carol Austin 4th lady, 51:34; Angela Kerr 9th lady, 55:19 and Samantha Miller 10th lady, 56:48.

Jake Smith ran superbly to be the first man home and 'King of the Hill' in a magnificent 37:06.

Joshua Hobson was 5th, 43:45; Rupert Pady 7th, 45:14; Lawrence Power 8th, 47:00; Phil Bayliss 12th, 48:35; Robin Britton 16th, 54:23; Martin Kerr 22nd, 68:31 and Robert Kerr 23rd, 69:11. AVR member Rick Wood was race referee.

Many congratulations to AVR youngsters Mia Bartlett, Holly Eyre and Poppy Tooze who came 2nd, 3rd and 4th respectively in the intermediate race, and to Caitlin Tooze who came 6th in the junior race.

The transition point was a welcome sight, the run had taken 2:55:00, and Clare was currently 6th

This week brought the annual Mixed Invitation Competition organised by Max Pipe.

A number of members from clubs in the area were invited to enjoy a social mixed day of golf.

The winners of the competition with 46 points was home member Allan Seager playing with his guest Glynda Board from Axe Cliff who retained the Gordon Longhurst Plate.

In second place was Club Captain Stewart Slater with his guest Jacques Wales from Looe with 43 points.

Also on 43 (but beaten on countback) were Ron Graham and his guest Penny Weston from Looe.

There were no two's recorded and so a card draw came into play.

Nearest the pin for Ladies was won by Gina Redman from The Warren and for the Men it was Honiton member, Bill Eaton.

**Ladies Section**

The format this week was two ball better ball – but on the 6th, 12th and 18th, both scores would count.

On another hot, sunny day, Anne Davies & Liz Rogers came in first with 48 points.

The next three places were tied on 46 and had to be settled on countback with Diana Gee & Linda Northover in second place, Jane Watts & Janet Hughes third and Olwen Eaton & Sharon Dacre in fourth.

In the 10-hole competition, Daphne Ayland & Joy Kerr came in first with 19 points.

**Seniors Section**

SIXTY two seniors competed for the Ron Blatchford trophy in a Stableford format.

The winner was Tony Williams who was top of Division One with 37 points, beating Tom Tunnicliffe on count back.

Also in Division One, Jim Wallis and Ted Chandler had 35 points followed by Alan Pollock and John Vessey on 33.

Tom Tunnicliffe was top of Division Two and John Chew was runner-up on 35.

The last prizes were taken by Brian Morrison, Peter Blake and George Smith on 34.

weekend Clare Hansford travelled to northern Scotland to take part in the HIGHLAND CROSS, a 50-mile coast-to-coast duathlon (20 mile run, 30 bike) from Kintail on the west to Beauly on the east.

A stream of buses transported competitors to Loch Morvich on the west coast where typical Scottish weather of drizzle and midges awaited.

The first few miles over rough track allowed competitors to settle in before climbing the 1000ft pass behind the Five Sisters of Kintail – a single file scrabble to the waterfalls of Beinn Fhada with an occasional sheer drop to the right and warnings of 'Injury Risk'. This was followed by several miles of rough, undulating hill track through peat boggs and frequent water crossings.

This gave an overall time of 5:41.19 and 181st out of 1500 finishers.

Kirsty Bate was the first AVR home in the Torbay Half Marathon finishing 318th in 14:30:1.

Angela Kerr had a fine race finishing 2nd lady over 55, 673rd overall in 1:56:11 with husband Martin in 1:286th spot taking 2:22:53.

◆ GOOD EFFORT: Axe Cliff Golf Club reinstated the Midsummer Madness competition last week when a full field of members braved a 4am alarm call for a 5am shotgun start. The competition involved teams of three in a 'Texas Scramble' where the best drive was chosen on each hole and then each player in the team took turns at hitting their ball from where the best shot lay – continuing that format until holing out. The winning team of Mike Cottam, Lewis Cottam and Johnny Potter who carded a score of 56.4 were presented with their prizes by club official Alan Kenworthy (left), and vice-captain Simon Sweeting (right).

## Former test star at Cloakham

AFTER 20 years of successful tours overseas, this summer the Barmy Army, the England Cricket team's supporters club, are undertaking their first ever charity tour of England & Wales.

The aim of raising £100,000 for the Lord's Taverners, the Tour, known as BAT2015, is running from June until September and consists of eighteen cricket and eighteen golf days across each of the 18 first class cricket counties.

On Wednesday the tour called into Cloakham Lawns the home of Axminster CC where a T20 game was played out between an Axminster CC XI and a Barmy Army/Lord's Taverners XI that included former Somerset & England test bowler Andy Caddick.

There was plenty of off-field entertainment including a raffle, and a Q+A with Caddick.

The Lord's Taverners is the UK's leading youth cricket and disability sports charity dedicated to giving young people a sporting chance.

They also run cricket programmes for young people in disadvantaged communities and for those with dis-

abilities across the UK.

AX CC organiser Peter Kiy said: "The evening went very well, the lord and lady Taverners raised approx £1,000. Thanks go to all those who came down for the evening. There was a packed room for the Q&A with Andy Caddick

after the game and we then rounded off the evening with an auction of signed cricket memorabilia.

"The Barmy Army made 187, we replied with 138, but the highlight of the game was Sam Farrow hitting four consecutive fours off Andy Caddick!"
